Happy Chinese New Year

May this Year of the Dog overflow with happiness, prosperity & good luck for you.

州长通过本报向华人社区恭贺新春

Greetings,

I would like to wish you and your entire community a happy Chinese New Year! May your year be filled with peace, prosperity and blessings.

Indiana has been known for our Hoosier hospitality which stems from welcoming people of all faiths and religions. It is important that Hoosiers continue to embrace and celebrate the many contributions the Chinese community provides throughout our state.

As another year comes to a close, we can all reflect on our past and, together, look forward to an even more prosperous future.

Janet and I would like to join with you all and wish everyone a happy and healthy new year. May your celebrations be filled with family, friends and happiness.

Sincerely,

*Eric Holcomb*
