Carmel暑假夏令营报名已经开始，目前多个项目名额已满，下面是还在接受报名的项目：

全天 (Full Day)

◆ Under the Sun (9-11 age group only)

Don't want to choose sports or art? Enjoy being energetic and laid back? Try a little bit of everything Under the Sun!

◆ The Summer Experience (9-11 age group only)

We'll explore sports, nature, art and so much more. Campers will splash in The Waterpark, explore a local park and experience summer fun on a field trip adventure! We'll learn new things, make new friends, create memories that last a lifetime, and experience summer every day!

◆ Chillville

Every week will have a new theme and be an opportunity to try new things. Campers will explore crafts, sports, group challenges and more. No matter what you want to do—make a lanyard, play cards or relax with friends—we'll have plenty of time for it all every morning and afternoon!

◆ Success On Stage – Stage Design

Campers will learn how to make simple props, costumes and backdrops out of everyday materials. We will work to-

gether to design the stage for our Success on Stage productions, "Shrek, Jr." and "Night at the Wax Museum." Activities for each week will depend on the show, and how quickly campers design and create needed items. Come set the stage!

◆ Lead the Way

Together we will embark on a leadership adventure. As a team we'll share our strengths and challenge each other through team building and problem-solving activities. Campers will put their skills to the test and learn to be better friends and stronger leaders, all while enjoying a summer of fun!

半天 (Half Day)

◆ Recreational Half-Day Camps

Put those binoculars down and look no further! Our half-day camps provide your child with the opportunity to explore and experience nature hands-on. They'll learn how to spot wildlife habitats, how to stay safe when out in nature and participate in other fun, themed activities. Have your child join us and they'll be transformed into a happy camper!
