## 州长、市长向华人恭贺新春

#### Greetings!

Happy Lunar New Year to all who are celebrating! In Indianapolis and around the world, the new year ushers in a period of renewal. The Year of the Tiger could not have come at a better time as it provides an opportunity to reflect on the lessons we have learned and plan for the year to come.

The mighty Tiger is a symbol of strength, bravery, and growth. Our recovery over the past year has shown that when we collaborate as a community, we have the power to achieve great things. As we forge a new path in the face of uncertainty, the Tiger inspires an approach grounded in resiliency and unity.

We join with our residents who celebrate this holiday because Indianapolis is proud to be home to many unique and diverse Asian communities. To all Asian American Today readers, best wishes for a delightful and prosperous lunar year.

Sincerely,

Joseph H. Hogsett  
Mayor  
City of Indianapolis

#### 州长贺词

肯定华人社区的贡献!

Greetings,

I would like to wish the Asian American community a happy Chinese New Year! May the year of the Tiger be filled with the strength and courage that will help guide and protect us throughout 2022.

Indiana is a welcoming state for people representing all faiths and religions. It's important that Hoosiers continue to recognize, embrace and celebrate the many ways the Chinese community contributes to our state each and every day.

The start of a new year brings the promise of new beginnings, the blessing of new opportunities and the hope of more adventures to come.

Janet and I would like to wish everyone a joyful, peaceful and healthy Chinese New Year! Sincerely,

Gov. Eric J. Holcomb
